**Application of NA Communications, Inc. for a

Docket No. 98-00597

**ORDER GRANTING PETITION TO INTERVENE
OF P.V. TEL OF TENNESSEE**

This matter is before the authority upon the petition of P.V. Tel of Tennessee ("P.V.Tel.") to intervene, pursuant to T.C.A. § 4-5-310, in the Application of NA Communications, Inc. ("NACI") for a certificate of convenience and necessity to operate as a competitive, local exchange carrier in Tennessee.

The petition was filed on July 25, 1999, two days before the hearing in this matter. NACI opposed the petition on the grounds that it was not timely filed and that granting the petition might unduly delay or impair the orderly conduct of the proceedings. NACI did not dispute Petitioner's assertion that P.V. Tel. has a legally recognizable interest in these proceedings.

After hearing arguments from the parties, the Authority voted to grant the petition to intervene with certain limitations. P.V. Tel is not allowed to engage in discovery or present witnesses but may participate in the hearing through cross-examination and, if requested by the Authority, the filing of post-hearing briefs. The Authority finds that granting the Petition, as restricted, will not impair the interests of justice or the orderly and prompt conduct of the proceeding.

It is therefore Ordered that the Petition be granted, subject to the restrictions described herein.
